ABSTRACT. This is the abstract.

1. INTRODUCTION

In order to proceed to publish your article, we will need you to submit the final version of your article as a LaTeX/Word document with the following information:

1. Full title of the article;
2. Name, affiliation, email and ORCID (optional) of each author;
3. Abstract and keywords.
4. References: always include a DOI if available. If there is no DOI, include a URL, unless you are not able to access it online.
